CAREER SUMMARY

Commercial, Contracts and Cost Management professional with 14 years of experience across EPC, industrial, commercial, infrastructure and high-rise projects valued up to ₹2,600+ Crores.

Proven expertise in end-to-end commercial and contract management — from project estimation, budgeting and BOQ development through quantity surveying, subcontractor and client billing, cost control, forecasting, cash-flow management, procurement, rate analysis, variations, claims and contract administration, to commercial reporting for senior stakeholders.

Adept at managing the interface between Execution, Planning, Procurement, Finance, Consultants and Clients to uphold commercial discipline, safeguard contractual entitlements, and drive timely billing and payment realization.

Well-versed in **FIDIC and EPC** contractual frameworks, BIM-based quantity take-off, material reconciliation, cost-variance and delay analysis, EOT claims, and negotiation of additional/extra-item rates.

EXPERTISE

Commercial Management | Quantity Surveying | Cost management | Cost Control | Billing & Claims Management | Contract Administration | Cost Forecasting & CTC Projection | Project management | EOT | Dispute Resolution

TECHNICAL SKILLS

Project Estimation & Budgeting | Contracts Management | Delay Analysis & Risk Management | Financial Reporting | CTC Projection | Vendor Management | Negotiations | Tendering & Procurement | Reconciliations | Primavera P6

PROFESSIONAL EXPERIENCE

ASSISTANT MANAGER – COMMERCIAL & QS

M/s Cemindia Projects Limited (Formerly ITD Cementation India Limited)

Project – IKEA, Noida Meeting Place, Sector – 52, Noida, Uttar Pradesh. (FIDIC – 1934 Cr.)

(Commercial – High Rise Project | FIDIC)

March 2025 – Present

- Managing end-to-end contract administration throughout the project lifecycle.
- Prepare contractual notices, claims, rebuttals, justifications, and supporting documentation.

M/s NCC Limited

Project – India International Horticulture Market, Sonapat, Haryana. (EPC – 2600 Cr.)

Mixed Use Projects – (Industrial – 1400 Cr, Infrastructure Development – 850 Cr, Residential – 345 Cr.)

August 2023 – March 2025

- Managed quantity surveying, BOQ finalisation, cost analysis and commercial documentation for large-scale EPC development works.
- Handled progressive client billing, measurement verification, quantity reconciliation and supporting documentation for certification.
- Prepare contractual notices, claims, rebuttals, justifications, and supporting documentation.
- Managed contract administration, vendor negotiations and procurement strategy in coordination with project teams.
- Supported dispute resolution and coordinated with client for smooth implementation of engineer's instruction leading to claims
- Established EOT Claims and got awarded with 15-month in extension
- Monitored project cost and commercial commitments against planned requirements.
- Coordinated with planning and execution teams to align physical progress, quantities and billing milestones.
- Managed commercial evaluation of changes, additional requirements and project deliverables.

- Maintained project schedules and commercial communication in line with contractual requirements.

SENIOR ENGINEER – PMG (CONTRACTS & CLAIMS)

M/s K.E. Engineers Pvt. Ltd (formerly Kuber Enterprises)

Corporate Office, New Delhi

July 2019 – August 2023

Projects – Multiple Thermal Power Plants (3 Nos. of TG Decks, FGD Units & Chimneys – 150m & 275m Tall, CHPs including Truck & Wagon Tipplers, etc., valuing 600 cr.)

- Led commercial and contract management activities across multiple power and infrastructure projects covering billing, claims, cost control and financial reporting.
- Managed client billing, bill certification and high-value material reconciliation, supporting timely cash inflows and commercial control.
- Managed dispute resolution through negotiation, mediation, arbitration, or litigation, where applicable.
- Prepared and monitored project financial reports, cash-flow forecasts and cost variance analyses for management review enabling informed commercial decisions.
- Coordinated procurement planning and vendor activities to align material requirements with project schedules and budget targets.
- Conducted delay analysis and Extension of Time (EOT) submissions to support contractual entitlement and schedule realignment.
- Prepared rate analysis for additional / extra items and supported negotiations and client approvals.
- Managed contractual interfaces between project execution, planning, procurement, vendors and clients.
- Monitored project schedules and contractual milestones and coordinated commercial deliverables accordingly.
- Supported escalation and commercial strategies arising from project delays and changing project requirements. Conducted escalation strategies for contract price adjustment

ENGINEER – QS & CONTRACTS

M/s Sumitomo Mitsui Construction Co. Group Japan (India Division)

Project 1 – NGK Spark Plugs (I) Pvt Ltd., Bawal, Haryana (EPC - Manufacturing & Interior Fit out – 104 Cr.) (Industrial Warehouse and Office Building with Interior & Finishing)

Project 2 – Suzuki Motor (G) Pvt. Ltd., Becharaji, Gujarat (EPC- Manufacturing Unit – 164 Cr.) (Industrial Warehouse, Admin and Office Space with Interior & Finishing)

September 2017 – July 2019

- Precision-engineered project budgeting, delivering detailed cost abstracts with accuracy.
- Diligent evaluation and reconciliation of subcontractor billing, ensuring financial integrity.
- Spearheaded tender analysis, including pre-qualification and strategic vendor negotiations, securing favorable contracts.
- Generated sharp procurement reports, synchronizing material acquisition with project schedules.
- Orchestrated the strategic sourcing of key materials, such as steel, cement, and RMC, to boost resource efficiency.
- Prepare contractual notices, claims, rebuttals, justifications, and supporting documentation.
- Crafted and negotiated accurate quotations for client-initiated changes, facilitating prompt approvals.
- Implemented stringent schedule adherence mechanisms, aligning project progress with L-2 Schedule benchmarks.
- Directed the efficient procurement of materials and manpower, achieving cost savings and operational effectiveness.
- Performed meticulous material reconciliations, upholding stringent inventory control and cost management standards.
- Consistently delivered cost variance analyses, providing vital insights into robust budget control and financial oversight.

ENGINEER – BILLING

M/s Scenic Developers Pvt. Ltd.

Corporate Office, New Delhi (Softscape and Horticulture)

July 2016 – September 2017

- Pioneered efficient client billing protocols, guaranteeing prompt and systematic invoicing.
- Orchestrated cross-departmental collaboration to meet and exceed operational goals.
- Crafted and upheld detailed project timelines, consistently providing updates on milestones.
- Skillfully navigated extra claim submissions to protect client relations and enhance project margins. accurate quotations for client-initiated changes, facilitating prompt approvals.

ENGINEER – CIVIL

M/s L&T Construction (Larsen & Toubro Ltd.)

Project 1 – Hero Moto Corp, Halol, Gujarat (Manufacturing Unit – 250 Cr.)

Project 2 – Hero Moto Corp, Jaipur, Rajasthan (Manufacturing Unit, R&D Centre – 200 Cr.)
 Project 3 – Wonder Cement Ltd. – Line -II, Chittorgarh, (10000 TPD Cement Manufacturing Plant – 167 Cr.)
 Project 3 – JK Cement Ltd, Chittorgarh, (5000 TPD Cement Manufacturing Plant – 79 Cr.)
 (Industrial, 150 m High Structure, Wagon Tipplers, Silos, etc.)

September 2012 – July 2016

- Executed large-scale industrial and infrastructure projects across cement plants, manufacturing units, and R&D facilities, supporting high-quality project delivery.
- Gained strong hands-on experience in deep excavations, subterranean structures, and high-rise RCC works, including chimneys and silos up to 80+ meters.
- Efficiently Delivered Taking-off quantities, Progressive Sub-Contractor Billing, BBS, Forecasting, etc.
- Worked extensively with advanced formwork systems, slipform, jump-form, and pre-stressed concrete construction techniques.
- Developed a solid foundation in construction sequencing, quality control, and site coordination, forming the base for later commercial and contract leadership roles.

EDUCATION

BACHELOR OF TECHNOLOGY (**PURSUING**) | Civil Engineering | Lingaya's Vidyapeeth, Faridabad, Haryana 2025 – 2028
 DIPLOMA | Civil Engineering | Aryabhat Polytechnic, BTE Delhi 2009 – 2012

CERTIFICATION

MEMBER Indian Institute of Quantity Surveyor	2024
SIX SIGMA GREEN BELT AIGPE™	2024
PROJECT SCHEDULING, MONITORING & CONTROL AIGPE™	2024
PRIMAVERA P6 Udemy	2024
AUTOCAD Delhi Institute of Computer Science	2011
NCC - B National Cadet Corps	2011

TOOLS

QUANTITY / BIM: AUTODESK REVIT | BIM-BASED QTO | AUTOCAD
PLANNING: PRIMAVERA P6 | MICROSOFT PROJECT
COMMERCIAL / REPORTING: MS EXCEL | MICROSOFT OFFICE | POWER BI
PROJECT COLLABORATION: PROJECT DOCUMENTATION AND COMMERCIAL REPORTING SYSTEMS
