

DEEPAK KUMAR MISHRA

Senior Quantity Surveyor & Commercial Manager | EPC & FIDIC Contracts

+91-7042598579 | welldeepakmishra@gmail.com | New Delhi, India | linkedin.com/in/deepakmishra811

PROFILE

Senior Quantity Surveyor / Commercial Manager with 13+ years across EPC and FIDIC-based power, industrial, commercial and infrastructure projects valued up to INR 2,200+ Crores. Specialist in end-to-end cost management – BOQ finalization, progressive billing, cost control, cash flow, contract administration and claims – with hands-on EPC/FIDIC contract experience, delay analysis, EOT claims and high-value material reconciliation.

CORE EXPERTISE

Commercial Management · Quantity Surveying · Cost Control · Billing & Claims Management · Contract Administration · Project Estimation & Budgeting · Delay Analysis & EOT Claims · Cash Flow & CTC Projection · Tendering & Procurement · Reconciliations · Primavera P6

PROFESSIONAL EXPERIENCE

Assistant Manager – Commercial & QS – Cemindia Projects Limited (formerly ITD Cementation India Ltd)

IKEA, Noida Meeting Place, Sector-52, Noida (FIDIC – Rs 1,934 Cr.) | March 2025 – Present

- Leading commercial and QS functions for a large commercial project: BOQ preparation, progressive client billing, cost control and cash flow monitoring under contractual guidelines.
- Driving vendor procurement and contract finalization, incl. techno-commercial evaluations, negotiations and work order issuance.
- Executing BIM-based quantity estimation and coordination, improving accuracy and supporting variation management.
- Monitoring budgets vs actuals and committed costs, proactively flagging commercial risks to leadership.

Senior Engineer – Quantity Surveyor – NCC Limited

India International Horticulture Market, Sonapat, Haryana (EPC – Rs 2,600 Cr.) | Aug 2023 – Mar 2025

- Managed quantity estimation, BOQ finalization and cost analysis for a large-scale project.
- Oversaw contract administration, vendor negotiations and procurement strategies.
- Ensured progressive client billing with financial documentation and approvals for seamless cash flow.

Senior Engineer – PMG – K.E. Engineers Pvt. Ltd (formerly Kuber Enterprises)

Multiple Thermal Power Plants – TG Decks, FGD Units & Chimneys (150m & 275m), CHPs (Rs 600 Cr.) | Jul 2019 – Aug 2023

- Led commercial and contract management across a Rs 600+ Cr. portfolio: billing, claims, cost control and financial reporting.
- Managed client billing, bill certification and high-value material reconciliation with zero financial leakages.
- Conducted delay analysis, escalation strategy and EOT submissions supporting entitlement protection.
- Prepared and negotiated rate analysis for extra items, safeguarding project margins.

Engineer – Quantity Surveyor – Sumitomo Mitsui Construction Co. Group Japan (India Division)

NGK Spark Plugs, Bawal (Rs 104 Cr.) & Suzuki Motor Gujarat, Becharaji (Rs 164 Cr.) | Sep 2017 – Jul 2019

- Delivered detailed cost abstracts and precision project budgeting.
- Led tender analysis, pre-qualification and vendor negotiations securing favorable contracts.
- Directed procurement of materials and manpower, achieving cost savings and operational efficiency.

Engineer – Billing – Scenic Developers Pvt. Ltd.

Corporate Office, New Delhi | Jul 2016 – Sep 2017

- Pioneered efficient client billing protocols and extra-claim submissions protecting client relations and margins.

Engineer – Civil – L&T Construction (Larsen & Toubro Ltd.)

Hero MotoCorp (Halol & Jaipur), Wonder Cement & JK Cement, Chittorgarh | Sep 2012 – Jul 2016

- Executed large industrial projects incl. deep excavations, high-rise RCC, chimneys/silos up to 80+ m, and advanced formwork/slipform techniques.
